Copy of Governor's Order

Wednesday, Governor Michelle Lujan Grisham issued an order to ensure that our State's citizens are self-isolating to the maximum extent possible in order to minimize the transmission of the novel Coronavims Disease 2019 (referred to as "COVID-19"). The core directive underlying this Order is that New Mexicans should not leave their homes unless absolutely necessary or to access essential services. This Order should be interpreted consistent with that purpose and exceptions should be narrowly construed. Failure to comply with the mandates set out herein constitutes a threat to our State's health, welfare, and economy.
